

## Internal Medicine Residency Faculty 2018-2019

**Allan L Markus, MD, MS, MBA, FACP**  
**Program Director**

Dr. Markus came to HonorHealth with the goal of building a state-of-the-art Internal Medicine Residency Program from the ground floor. He previously worked as a chief resident at Baystate Medical Center, Springfield, Mass.; associate and interim program director at Berkshire Medical Center, Pittsfield, Mass.; and associate program director at St. Joseph's Hospital and Medical Center.

He also served as director of Arizona State University Health Services and has teaching appointments at University of Arizona College of Medicine-Phoenix, Mayo College of Medicine, and Kirksville College of Medicine, Kirksville, Mo. He has served as the editor of the Chief Resident Manual of the Association of Program Directors in Internal Medicine and has been active in the Arizona Chapter of the American College of Physicians. Along with his two children, he enjoys working with the Flying Samaritans – Phoenix Chapter, providing care for patients in the Baja de California.

### AMBULATORY FACULTY

**Connie Abarikwu, MD**

You would think that after 20 years of practicing Internal Medicine, there would not be much about the human body to still amaze Dr. Abarikwu. Not so! She continues to be “in awe of the body and its resilience” and has great respect for the process of aging and our elderly population. She also has a special interest in female care and gynecological issues.

As you would expect, Dr. Abarikwu finds Internal Medicine “challenging, yet rewarding and fulfilling.” Viewing it and other primary care specialties as “the foundation for all medical care,” she is proud to be part of the “foundation team” and honored to help prepare the next generation of internist physicians.

Those physicians, she notes, face a new world of medicine. That’s thanks to something else that amazes Dr. Abarikwu: what can be accomplished with just one tool as the health care world becomes more computerized.

### **Chelsea Thomsen, MD**

Dr. Thomsen graduated medical school at the University of Arizona and completed her residency at The Mayo Clinic in Scottsdale, Arizona. She currently works in the Internal Medicine Academic Clinic. She also precepts the residents in the ambulatory setting. Her clinical interests are wellness, resiliency, resident physician education, international volunteering and public health.

### **Allan L Markus, MD, MS, MBA, FACP Program Director**

Dr. Markus came to HonorHealth with the goal of building a state-of-the-art Internal Medicine Residency Program from the ground floor. He previously worked as a chief resident at Baystate Medical Center, Springfield, Mass.; associate and interim program director at Berkshire Medical Center, Pittsfield, Mass.; and associate program director at St. Joseph's Hospital and Medical Center.

He also served as director of Arizona State University Health Services and has teaching appointments at University of Arizona College of Medicine-Phoenix, Mayo College of Medicine, and Kirksville College of Medicine, Kirksville, Mo. He has served as the editor of the Chief Resident Manual of the Association of Program Directors in Internal Medicine and has been active in the Arizona Chapter of the American College of Physicians. Along with his two children, he enjoys working with the Flying Samaritans – Phoenix Chapter, providing care for patients in the Baja de California.

### **Priya Radhakrishnan, MD**

Dr. Radhakrishnan is the Chief Academic Officer with responsibilities for all graduate, undergraduate and continuing medical education, faculty development, library science and clinical simulation activities.

She brings more than 10 years of experience in the field of medical education including serving as clerkship director at the University of Arizona College of Medicine - Phoenix. She previously served as chair of Internal Medicine at Dignity Health St. Joseph's Hospital and Medical Center.

Dr. Radhakrishnan will build upon the foundation of the Academic Affairs department and continue to shape opportunities for growth in medical education to provide the highest quality of care for patients and families across the network. Currently she practices at the HonorHealth Medical Group Jomax Clinic.

**Rustan Sharer, MD**

Dr. Rustan Sharer is a Phoenix native who studied Biomedical Engineering at ASU prior to graduating from the University of Arizona, College of Medicine – Phoenix. After internal medicine residency at Banner UMC-Phoenix, he was retained as Clinical Assistant Professor in the role of Outpatient Chief Resident in Quality & Patient Safety at the Phoenix VA Healthcare System. As Chief Resident, he both led and mentored numerous quality improvement and informatics initiatives while also teaching Quality & Safety seminar.

He is excited to bring both his engineering background and passion for informatics-based clinical solutions to the development of a resident-driven quality improvement and patient safety curriculum at Honor Health's internal medicine residency. His dream is for tomorrow's physicians to not just adopt new technology, but to push the boundaries of technological achievement and transform outpatient medicine into a high-reliability organization in a digital world.

---

## **INPATIENT MEDICINE**

**Misty Evans, MD**  
**Inpatient Medicine**

Dr. Evans began her career in Healthcare as a Registered Dietitian after attending Texas A&M University for undergraduate work. After five years, she returned to school at Texas Tech University Health Sciences Center Medical School and then completed residency at Mayo Medical Center Arizona in Internal Medicine. She returned to Texas Tech as core faculty and Internal Medicine Clerkship Director at the Amarillo, TX campus. In 2004, she joined Affiliated Hospitalists PLC and has continued her career in various roles for Affiliated.

She currently serves as the Hospitalist Program Medical Director at the HonorHealth Scottsdale Thompson Peak Medical Center and Managing Partner for the group. Outside of the hospital, she enjoys spending time with her family including her spouse, three daughters, a dog, and reading.

**Evan Holdsworth, MD**  
**Inpatient Medicine**

Dr. Holdsworth is a board certified internal medicine physician currently employed with Affiliated Hospitalists, a local hospitalist group located in Phoenix, Arizona. Previously worked for over two years as a private hospitalist before taking a position as primarily an academic hospitalist for a new internal medicine residency program in 2016. He is core faculty for the HonorHealth Internal Medicine Residency program.

**Steven Parker, MD**  
**Inpatient Medicine**

Dr. Parker graduated medical school at the University of Oklahoma Health Sciences Center and his residency from Central Texas Medical Foundation (Brackenridge Hospital) in Austin Texas. He is a board certified internal medicine physician currently employed with Affiliated Hospitalists. He is one of our nocturnist for the Internal Medicine Residency. Dr. Parker has written several books on the Paleobetic Diet, and the multiple books on the Mediterranean diet.

**Kevin Ranum, MD**  
**Inpatient Medicine**

Dr. Ranum graduated from University of Toledo College of Medicine and his residency was at Mercy St. Vincent Center Toledo, OH. He also has a Masters in Health Systems Management and a Master's of Science Biomedical Science/Medical Science. Dr. Ranum is the nocturnist that oversees the Night Float rotation for the Internal Medicine Residency Program. He works with Affiliated Hospitalists.

---

## **SUBSPECIALTY FACULTY**

### Addiction Medicine

**Michael A. Sucher, MD, FASAM**  
**Subspecialty Education Coordinator**

Dr. Sucher graduated at Wayne State University where he received a Bachelor of Science Degree and Medical Degree. Dr. Sucher's internship was at Sinai Hospital of Detroit in Detroit, Michigan and he underwent residency training at Indiana University Medical Center in Indianapolis, Indiana. From 1974 through 1994 Dr.

Sucher practiced emergency medicine and served as emergency department director at two HonorHealth facilities in Scottsdale (Osborn and Shea). He served as President of the Medical Staff of Scottsdale Healthcare Osborn.

He has served as the Acting Medical Director of the Division of Behavioral Health at the Department of Health Services, State of Arizona. He currently serves as the Chief Medical Officer for Community Bridges Inc. which is a community substance abuse and mental health treatment program in the greater Phoenix area and throughout the state of Arizona. He also served as the medical director for Community Medical Services from 2011-2016, which is the largest opioid treatment program in Arizona and also has programs in Montana, North Dakota and Alaska.

He is the medical director of physician health for Honor Health. He holds teaching positions throughout the greater Phoenix metropolitan area. He also recently directed the formation of the first addiction medicine fellowship program in Arizona as a collaboration between Community Bridges, Inc and Honor Health. He is serving as the initial fellowship program director.

Dr. Sucher is a Distinguished Fellow of the American Society of Addiction Medicine. He was granted Diplomate Status by the American Board of Addiction Medicine in 2009. He is also certified as a Medical Review Officer by ASAM. Additionally, he is a Past President of the Arizona Society of Addiction Medicine. He is a nationally known speaker on addiction medicine and professional health issues.

## Allergy & Immunology

**Michael Manning, MD**  
**Subspecialty Coordinator**

Dr. Manning attended medical school at the University of Texas Medical School in Houston. Dr. Manning pursued his Internal Medicine residency in Phoenix then completed an Allergy, Asthma and Immunology Fellowship at Scripps Clinic and Research Foundation in La Jolla, California.

He is a Fellow in the American Academy of Allergy, Asthma and Immunology and the American College of Allergy, Asthma and Immunology. Dr. Manning is very active in many national, regional and state societies and is involved with research to continually improve the treatments of allergies and asthma. He is past president of the Western Society of Allergy, Asthma and Immunology and lectures frequently to physicians in Arizona and regionally.

**Julie Wendt, MD**

Dr. Wendt earned a Ph.D in microbiology and immunology from Vanderbilt University and a Doctor of Medicine degree from the University of Tennessee College of Medicine. She completed residency at Rush-Presbyterian-St. Luke's Medical Center and an allergy and immunology fellowship at Rush University Medical Center, both in Chicago. In private practice since 2005.

## Cardiology

**Daniel Storch, MD**  
**Subspecialty Coordinator**

Dr. Daniel Storch has been practicing cardiology in Scottsdale for over 20 years. He received his undergraduate degree from Union College, Schenectady, N.Y., and his medical degree from the New York University School of Medicine in 1985. After completing his internal medicine internship and residency at the Bronx Municipal Hospital Center/Albert Einstein College of Medicine in New York, he stayed on for fellowships in adult cardiology and then interventional cardiology.

Dr. Storch is triple board certified in internal medicine, cardiovascular diseases and nuclear cardiology. He is a designated Fellow of the American College of Cardiology. He serves as AZ Cardiology Group's Nuclear Stress Lab Director and is chair of internal medicine at HonorHealth. Scottsdale Thompson Peak Medical Center. His areas of clinical interest include coronary artery disease, angioplasty and stenting, congestive heart failure, lipid management and preventive cardiology. He has been recognized as one of Phoenix Magazine's TOP DOCS.

### **Wazhma Aslamy, MD**

Dr. Aslamy graduated Magna Cum Laude from Barrett's Honor College at Arizona State University then attended the University Arizona College of Medicine. After obtaining her Medical Doctorate in 1991, she returned to Phoenix for Internal Medicine training and then moved to Los Angeles to complete her Cardiology training at University of Southern California and Kaiser Permanente Los Angeles. She is an invasive and general cardiologist with expertise in nuclear cardiology and echocardiography.

Dr. Aslamy has been Board Certified in Internal Medicine and is currently Board Certified in Cardiovascular Disease. She is a designated Fellow of the American College of Cardiology (FACC) representing the highest level of training.

She enjoys all aspects of the field with interest in congestive heart failure, preventive cardiology and valvular heart disease.

### **Robert Candipan, MD**

Dr. Candipan graduated from the University of Miami, Miller School of Medicine. He works in Phoenix, AZ and specializes in Cardiovascular Disease and Interventional Cardiology. Dr. Candipan is affiliated with HonorHealth Deer Valley Medical Center and HonorHealth John C Lincoln Medical Center.

### **Craig Peters, DO**

Dr. Peters is a cardiologist that works for the HonorHealth Medical Group. He graduated from Ohio University of Osteopathic Medicine and he did his residency at Cleveland Clinic. He's board certified in Internal Medicine and Cardiology. Dr. Peters provides lectures and small groups to the residents on cardiology.

### **David G. Rizik, MD**

Dr. Rizik graduated from the Saint Louis University School of Medicine in 1986. He works in Scottsdale, AZ and specializes in Cardiovascular Disease and Interventional Cardiology. Dr. Rizik is affiliated with HonorHealth Scottsdale Osborn Medical Center and HonorHealth Scottsdale Thompson Peak Medical Center.

Dr. David Rizik is a cardiologist in Scottsdale, Arizona and is affiliated with multiple hospitals in the area, including HonorHealth Scottsdale Osborn Medical Center and HonorHealth Scottsdale Shea Medical Center. He received his medical degree from Saint Louis University School of Medicine and has been in practice for more than 20 years. He is one of 54 doctors at HonorHealth Scottsdale Osborn Medical Center and one of 70 at HonorHealth Scottsdale Shea Medical Center who specialize in Cardiovascular Disease. Dr. Rizik works with the residents with research in cardiology and offers a rotation with him.

### **Adam Sabbath, MD**

Dr. Sabbath, a cardiologist in Phoenix, is qualified to deliver comprehensive care for your cardiovascular system and heart. Dr. Sabbath may see patients for symptoms like difficulty breathing, dizziness or chest pains, to name a few. Cardiovascular issues that may be identified and cared for by a cardiologist can include congenital heart defects, angina, arrhythmia, heart failure, rheumatic heart disease, heart aneurysms and coronary artery disease, to name a few. Dr. Sabbath oversees the ambulatory cardiology for the Internal Medicine residency.

## **Dermatology**

### **Christine C. Lin, MD Subspecialty Coordinator**

Dr. Christine Lin joined Affiliated Dermatology in December, 2005 after practicing in Westlake Village, California for four years. She obtained her undergraduate degree from Massachusetts Institute of Technology and her medical degree from the University Of Southern California Keck School Of Medicine. Her internship in internal medicine was completed at the UCLA-San Fernando Valley Program in Sylmar, California. Dr. Lin completed her dermatology residency at Case Western

Reserve University Hospitals of Cleveland. She served as the chief resident in Dermatology at Case Western Reserve University Hospitals of Cleveland. Dr. Lin is board certified by the American Board of

Dermatology. Professional memberships include the American Academy of Dermatology, the American Society for Mohs Surgery, and the American Society for Dermatologic Surgery. She is our subspecialty coordinator for dermatology.

---

## Emergency Medicine

### **Pedro Roque, MD**

Dr. Roque graduated from Cornell University with a BS in Biology and graduated medical school from Harvard Medical School. His residency was at Maricopa Medical Center in emergency medicine. He is the educational director for Scottsdale Emergency Associates. He is also has certification in ED Point of Care Ultrasound. He is also the Internal Medicine Residency Subspecialty Coordinator for Emergency Medicine at HonorHealth Thompson Peak Medical Center.

---

## Endocrinology

### **Iyad Syoufi, MD** **Subspecialty Coordinator**

Dr. Iyad Syoufi has been caring for his patients since he completed his residency training in Internal Medicine at St. John Hospital and Medical Center in Detroit, Michigan. He worked for four years as a hospitalist at Banner Good Samaritan Hospital in Phoenix, Arizona.

Dr. Syoufi completed his Endocrinology fellowship at the University of Arizona and now a diplomate of the American Board of Endocrinology, Diabetes and Metabolism. He is a member of the Endocrine Society and American Association of Clinical Endocrinologists. He is our subspecialty coordinator for endocrinology.

### **Grace Matta, MD**

Dr. Grace Matta is a diplomate of the American Board of Endocrinology, Diabetes and Metabolism.

She completed her residency training in Internal Medicine at Maricopa Medical Center in Phoenix, Arizona. Following her residency, she worked for three years as an internal medicine attending at Maricopa Medical Center and then completed an Endocrinology fellowship at the VA medical center/Banner Good Samaritan. She has been practicing as an endocrinologist since 2001.

Dr. Matta's passion for medicine has earned her the Resident of the Year Award from Maricopa Medical Center. She loves to teach our residents.

---

## ENT

### **Jordan Weiner, MD** **Subspecialty Coordinator**

Dr. Weiner graduated from Albany Medical College and Fellowship in Mayo, Rochester, MN. He is board certified in Otolaryngology, Head and Neck Surgery. He is currently employed with Valley ENT and they have 32 physicians practicing throughout southern Arizona and Maricopa County. He is our subspecialty coordinator for ENT.

### **Daniel Hurley, MD**

Dr. Hurley graduated from Saint Louis University School of Medicine, St. Louis, MO and his residency was at the same location. He is board certified in Otolaryngology – Head and Neck Surgery. He also works at Valley ENT with Dr. Weiner. He will be working with our Internal Medicine residents in the office in regards to ENT.

## Gastroenterology

**Siva Talluri, MD**  
**Subspecialty Coordinator**

Dr. Talluri is a gastroenterology specialist in Scottsdale, AZ. He is employed with HonorHealth Medical Group. He completed his residency at Metro Health Medical Center/Case Western Reserve University, Cleveland, Ohio.

**Gavin Levinthal, MD**

Dr. Levinthal is a staff gastroenterologist at the HonorHealth Scottsdale Thompson Peak Medical Center campus. He is board certified in gastroenterology, hepatology and internal medicine. A native of South Africa, Dr. Levinthal received his medical degree from the University of The Witwatersrand in Johannesburg. He completed his internship and residency in South Africa before coming to the U.S. as an internal medicine resident at Mt. Sinai Medical Center in Cleveland, Ohio. Later he became chief resident in internal medicine and was a gastroenterology fellow at both Mt. Sinai Medical Center and Metrohealth Medical Center in Cleveland, Ohio.

**Amar Thosani, MD**

Dr. Thosani is board certified in both gastroenterology and internal medicine. He specializes in many advanced procedures including endoscopic retrograde cholangiopancreatography (ERCP), diagnostic and interventional endoscopic ultrasound (EUS), endoscopic treatment of Barrett's esophagus, endoscopic mucosal resection (an advanced technique to remove large tumors that otherwise would require surgery), endoluminal stent placement and single balloon enteroscopy to evaluate hard-to-reach areas of the small intestine.

**Stuart Triester, MD**

Dr. Triester has been a gastroenterologist on staff at Thompson Peak Hospital since 2008 and has been working with the Internal Medicine residency for the last year. He came to Arizona following seven years in Bellevue, Wash., as both a gastroenterologist in private practice and as a hospitalist physician with the Overlake Hospital Medical Center in Bellevue. He earned his medical degree

(summa cum laude) from Jefferson Medical College in Philadelphia, Pa. He was an internal medicine resident at the University of Washington in Seattle and served his fellowship in gastroenterology at the Mayo Clinic in Scottsdale. He is board-certified in gastroenterology and hepatology.

---

## Geriatrics

### **Helene Labonte, DO**

Dr. Labonte graduated medical school at the Arizona College of Osteopathic Medicine in Glendale, Arizona. Her residency was completed at the Mayo Clinic College of Medicine. She also completed a fellowship at Vanderbilt University Medical Center. She currently works at Mayo and our residents rotate with her there.

---

## Hematology/Oncology

### **Andrew Buresh, MD** **Subspecialty Coordinator**

Dr. Buresh attended medical school at the University of Nebraska College of Medicine and completed his fellowship at the Arizona Cancer Center in Tucson, where he would eventually serve as chief fellow and participate in research in the field of myelodysplasia.

Dr. Andrew J. Buresh specializes in medical oncology, hematology and internal medicine. He is interested in all aspects of clinical oncology and hematology, with a particular interest in gastrointestinal, breast, lung, and prostate cancer, as well as myelodysplasia, coagulation disorders, lymphoma, and myeloma.

### **Brendan Curley, DO**

Dr. Brendan Curley specializes in Medical Oncology, Hematology and Internal Medicine. His clinical interests include breast, colon, lung and prostate cancer, and has strong experience and interest in hematologic malignancies. He also enjoys caring for and treating all aspects of benign hematology. He has strong research

background in improving patient's quality of care and patient understanding of their diagnosis and treatment.

He received his Bachelor of Science degree in Biology from Seton Hall University in New Jersey. He completed medical school at Lake Erie College of Osteopathic Medicine in Erie, Pennsylvania. Dr. Curley completed both his internship and residency in Internal Medicine at Drexel University College of Medicine/Hahnemann University Hospital, in Philadelphia, PA. He completed his fellowship in Hematology/Oncology at West Virginia University School of Medicine, where he served as chief fellow his final year.

Dr. Curley has been published in several medical journals, including The Journal of Oncology Practice, Clinical Lymphoma, Myeloma, & Leukemia, and The American Journal of Medical Sciences. He authored the breast cancer chapter in fourth edition of The Bethesda Handbook of Clinical Oncology. Dr. Curley is a multi-year winner of the American Society of Clinical Oncology Merit Award awarded to fellows with highly regarded research. During fellowship, he was twice named fellow of the year and was recognized by the Department of Medicine for his academic excellence and research achievements.

### **Michael Gordon, MD**

Dr. Michael S. Gordon specializes in medical oncology and hematology, and his principle interests have been in the development of new cancer therapies with a focus on targeted therapies as well as drugs that affect angiogenesis (tumor blood vessel supply). His disease focuses include kidney cancer, melanoma, prostate cancer, gastrointestinal stromal tumor (GIST) and ovarian cancer. In 2014, Dr. Gordon was named medical director for the Virginia G. Piper Cancer Center

Clinical Trials, a partnership between HonorHealth Scottsdale Healthcare and the Translational Genomics Research Institute. He first came to Arizona to become the associate dean for research for the Phoenix campus of the University of Arizona College of Medicine and subsequently founded the Arizona Cancer Center's Drug Development Program in Scottsdale. Currently, Dr. Gordon also serves as an associate professor of clinical medicine at the University of Arizona College of Medicine.

Dr. Gordon received his Bachelor of Science degree in Biomedical Sciences from the Sophie Davis School for Biomedical Education at the City College of New York and his Medical degree from the State University of New York at Buffalo School of Medicine. Following his graduation from medical school, Dr. Gordon performed his internship and residency in Internal Medicine at the University of Chicago Hospitals and Clinics. After completing his fellowship in Hematology/Oncology at Memorial Sloan-Kettering Cancer Center in 1991, he accepted a position at the Indiana University School of Medicine as a faculty member in the Section of Hematology/Oncology. During nine years on the faculty at Indiana University, Dr. Gordon played integral roles in the development of the Indiana University Cancer Center's Biologics and Developmental Therapeutics Program, the Leukemia Program, Clinical Research Office, and the Scientific Review Committee.

Dr. Gordon is a member of the American College of Physicians, American Society of Clinical Oncology, International Society of Experimental Hematology, American Society of Hematology, American Association for Cancer Research and New York Academy of Science. He has been awarded the American Cancer Society's Clinical Oncology Career Development Award and has served as co-editor of Yearbook of Oncology.

## ICU

**Heemesh Seth, DO**  
**Subspecialty Coordinator**

Dr. Seth graduated medical school from Midwestern University in Glendale, A. His residency and his fellowship were completed at Banner Good Samaritan Medical Center, Phoenix, AZ. His professional interest is Asthma, COPD, Lung Cancer, Advanced Lung Disease, Critical Care and personal Interest: Family, Friends, Running, and International Travel.

**Aditya Gupta, MD**

Dr. Gupta is Board Certified in Internal Medicine, Pulmonary, Critical Care and Sleep and Palliative Care.

He graduated medical school at the University of Delhi, New Delhi India. He completed his residency training at the University of Texas Health Science Center, Houston Texas. Following his residency, he completed his Pulmonary and Critical Care fellowship at the University of Texas Health Science Center and MD Anderson Cancer Center in Houston, TX.

---

## Infectious Disease

**Laura Kay Schroeder, MD**  
**Subspecialty Coordinator**

Dr. Schroeder is a graduate of Loyola University Stritch School of Medicine. She completed residency and fellowship training in Chicago, IL. He moved to Arizona and opened the North Phoenix Infectious Disease Clinic. She is very active within our residency. She loves working with the residents and students.

---

## Nephrology

**David Burstein, MD**  
**Subspecialty Coordinator**

Dr. Burstein graduated medical school from the University of Minnesota – Minneapolis and completed residency at Rush University Medical Center. His fellowship was at UCLA Medical Center and Rush University Medical Center. He is part of the AKDHC practice group. In his spare time, his greatest pleasure is to spend time at home or traveling with his wife and two young daughters. He also enjoy a variety of outdoor sports and activities, which are what drew his family to the Phoenix/Scottsdale area.

**Savas Petrides, MD**

Dr. Savas Petrides, MD is a nephrology doctor who practices in Scottsdale, AZ. Dr. Petrides is affiliated with Abrazo Arizona Heart Hospital, Abrazo Central Campus, Banner - University Medical Center Phoenix, Dignity Health - St. Joseph's Hospital and Medical Center and Honorhealth System. He participates with lecturing to our residents and precepts our nephrology rotations along with the rest of the team.

### **Jatinder Soni, MD**

Dr. Jatinder Soni, MD is a nephrology doctor who practices in Scottsdale, AZ. Dr. Soni is affiliated with HonorHealth Scottsdale Osborn Medical Center, HonorHealth Scottsdale Shea Medical Center and Scottsdale Thompson Peak Medical Center. He participates with lecturing to the residents and rotations.

## Neurology

### **Constantine Moschonas, MD** **Subspecialty Coordinator**

Dr. Moschonas completed his undergraduate training in Genetics and Medical Genetics at the University Of British Columbia (UBC). In New Jersey, he completed his Internship and residency in Internal Medicine at the University of Medicine and Dentistry of New Jersey. He completed his Neurology fellowship at the University of Arizona. During his tenure at the University of Arizona he was one of the investigators in the pivotal ACAS study. He was the chief resident and fellow in neurovascular sonography.

Dr. Moschonas was a member of the American Heart Association Board of Trustees and the Chairman of the Halle Heart Centre Advisory Group in Tempe, Arizona, 2002. He lectures nationally and internationally on multiple neurology topics of expertise, including genetics and MS, refractory epilepsy and asymptomatic carotid stenosis.

### **Fern Arlen, MD**

Dr. Fern Arlen is Board Certified in Neurology.

She received her Medical Training in Neurology at the Dent Neurological Institute in Buffalo, New York and a Fellowship Training in Clinical Neurophysiology at Texas Tech University Health Sciences Center in Lubbock, Texas. Her Internal Medicine Internship was at Suny Buffalo/Millard Fillmore Hospital in Buffalo, New York. Dr. Arlen is also an Adjunct Assistant Professor at the Arizona College of

Osteopathic

Medicine. Dr. Arlen treats patients with a wide range of neurological diseases; her special interests in Neurology include Migraine and Multiple Sclerosis.

---

## Ophthalmology

### **Jonathan J. Levin, MD**

Dr. Jonathan J. Levin is a General Ophthalmologist and Surgeon with Horizon Eye Specialist & Lasik Center. Dr. Levin takes care of all aspects of ophthalmic care, including cataract surgery, diabetes eye care, macular degeneration, retina diseases, glaucoma, eye emergencies, dry eye, eye lid surgeries, retina and yag laser procedures, and routine care. He is our Ophthalmologist that educates the Internal Medicine residents in eye care.

Dr. Levin grew up in Milwaukee, WI. He is an active member in several medical societies including the American Medical Association, American Academy of Ophthalmology, and American College of Surgeons. Dr. Levin is a Phi Beta Kappa graduate of the University of Wisconsin. He earned his medical degree at the Medical College of Wisconsin in Milwaukee. Dr. Levin completed his Ophthalmology Residency at the world renowned Mayo Clinic in Rochester, MN.

---

## Orthopedics

### **Amon Ferry, MD**

Dr. Ferry graduated from Rush Medical College and completed his resident training at Rush University Medical Center in Chicago. He did a fellowship in sports medicine at Harvard Sports Medicine Service in Boston. He is the Subspecialty Coordinator for Orthopedics for the Internal Medicine Residency at HonorHealth Thompson Peak Medical Center. He is going to give the residents a taste of orthopedics and sports medicine.

---

## Physical Medicine and Rehabilitation

**Nandita Keole, MD**  
**Subspecialty Education Coordinator**

Dr. Nandita Keole is a physiatrist in Phoenix, Arizona and is affiliated with Phoenix Veterans Affairs Health Care System. She received her medical degree from Seth G.S. Medical College and has been in practice between 11-20 years. Dr. Keole accepts several types of health insurance, listed below. She is one of 9 doctors at Phoenix Veterans Affairs Health Care System who specialize in Physical Medicine & Rehabilitation. She is the Subspecialty Coordinator for Physical Medicine and Rehabilitation for the HonorHealth Internal Medicine Residency Program at Thompson Peak Medical Center.

---

## Psychiatry

**Amanda M. Cattelino, MD**  
**Subspecialty Education Coordinator**

Bio Coming Soon.

## Pulmonary

**Bridgette Ronan, MD**  
**Subspecialty Coordinator**

Dr. Ronan is Board Certified in Internal Medicine and Pulmonary Medicine.

She attended Medical School at Pennsylvania State University College of Medicine. She then completed her residency and fellowship at Mayo Clinic in Arizona. She is our subspecialty coordinator for pulmonary medicine for the residency.

**Lorie Loreman, DO**

Dr. Loreman is Board Certified in Pulmonary Medicine.

She attended Medical School at Philadelphia College of Osteopathic Medicine. She completed her residency at Abington Memorial Hospital, Pennsylvania with a fellowship at St. Elizabeth Hospital, MA.

## Rheumatology

**Paul Howard, MD**  
**Subspecialty Coordinator**

Dr. Paul Howard is a graduate Cum Laude from Georgetown University in Biology and Medicine. He completed his residency in Internal Medicine at the University of Arizona and fellowship in Rheumatology at Johns Hopkins University.

Dr. Howard has been involved in private practice in Phoenix and Paradise Valley since 1984 and has participated as a clinical investigator in numerous clinical research trials developing new therapies for rheumatoid arthritis, lupus, Sjogren's,

juvenile rheumatoid arthritis, and osteoporosis. He is currently president of Arthritis Health, Ltd, an integrated medical practice dedicated to the care of adults and children with arthritis, metabolic bone and autoimmune disorders.

As a teacher, he has helped train interns and residents in the Phoenix-area training programs in rheumatology and has developed nationally recognized courses concerning rheumatology care.

As an active volunteer with the Arthritis Foundation since arriving in Phoenix, he helped develop the local Juvenile Arthritis Support Group, has participated on administrative and fundraising boards and lead the “Got 30” walk team in the annual Arthritis Foundation Walk each May. He is our rheumatology subspecialty coordinator.

## Sports Medicine (ASU)

### **Michael Puchowicz, MD** **Subspecialty Coordinator**

Dr. Michael Puchowicz received his medical degree from Vanderbilt University School of Medicine. He completed a Pediatric Residency at the University of Arizona and went on to complete a fellowship in Sports Medicine at Cincinnati Children’s Hospital Medical Center / Wellington Orthopedics and Sports Medicine. He is ABP certified in Sports Medicine and Pediatrics and licensed by the Arizona Medical Board. He has experience working with multiple sports teams at the high school, club, and NCAA Division I level.

Dr. Puchowicz came to ASU Health Services for the opportunity to serve as the Head Team Physician for Intercollegiate Club Sports, Team Physician for Division I Sports, and Health Services physician for the ASU student body. His practice philosophy is to provide a medical home tailored to meet the needs of young athletes and their active lifestyles. His goal for every patient is a return to full function and to get them back to school, sports, and work sooner and safer. He is our subspecialty coordinator for Sports Medicine.

### **Matthew D. Shores, MD**

Dr. Matthew D. Shores is the Director of Sports Medicine and Regional Medical Director for FastMed Urgent Care. He specializes in Sports Medicine. He completed his under graduate education at Grand Canyon University in Biology. He completed his medical school training at the University of Arizona College of Medicine in Tucson.

## Urology

**Bernard Gburek, MD**  
**Subspecialty Coordinator**

Dr. Bernard Gburek is an urologist in Scottsdale, Arizona and is affiliated with multiple hospitals in the area, including HonorHealth Deer Valley Medical Center and HonorHealth Scottsdale Osborn Medical Center. He received his medical degree from University of Chicago Pritzker School of Medicine and has been in practice for more than 20 years. Dr. Gburek accepts several types of health insurance, listed below. He is one of 20 doctors at HonorHealth Deer Valley Medical Center and one of 28 at HonorHealth Scottsdale Osborn Medical Center

who specialize in Urology.

Urologists specialize in the male and female urinary tract and male reproductive organs. Urologic organs include the kidneys, adrenal glands, bladder, ureters, urethra, testes, and epididymis, prostate. Patients may have bladder or prostate cancer, kidney stones, urinary tract infections, and other genitourinary disorders. Urologists may have additional subdisciplinary training as well. He is our subspecialty coordinator for urology for our residency.

**David J. Kaplan, MD**

Dr. David J. Kaplan is a urologic surgeon who has been awarded and recognized for his contributions to advancing knowledge in the field of Urology. Upon graduation he was awarded a residency at Temple University Hospital where he completed two years of general surgery training and four years of Urology training, including time spent at the Fox Chase Cancer Center.

Dr. Kaplan has received multiple local, regional, and national accolades for his research on cancers of the urinary tract. In addition Dr. Kaplan is the author of multiple academic articles and textbook chapters.

---

Young Adult Medicine (ASU)

**Thomas A. Eccles, MD, FAAP**

Bio Coming Soon.
