## TIMELINE FOR BARIATRIC ENDOSCOPIC TREATMENTS

Endobariatric procedures involve more than just your scheduled procedure date. There are pre- and postprocedural steps that need to be followed to ensure long-lasting weight loss success. This timeline will help guide you through the endoscopic services journey. From day one and beyond, the Endobariatric team is here to support you.

A team member will:

- Contact your insurance to verify coverage.
- Call you to schedule your initial consultation.

Recovery time may vary depending on which procedure you get.

- Schedule one-year follow-up (HonorHealth Bariatric Center).
- Attend support groups. (offered twice monthly).

1-7 DAYS

14 - 21 DAYS

2 - 7 MONTHS

1-3 DAYS

**SIX MONTHS AFTER**
