Onsite Mandarin Services at HonorHealth OBGYN

HonorHealth's new OBGYN practice is proud to partner with Dr. Khai Ling Tan, a Mandarin speaking Physician dedicated to serving our growing communities in north Phoenix along the I-17.

Since her graduation from OBGYN residency training in 2008, Dr. Tan has practiced with a special interest in robotic surgeries for hysterectomies, ovarian cystectomies, and other procedures. She currently serves as the Vice Chair of HonorHealth Osborn Medical Center and OBGYN Medical Director of HonorHealth Medical Group.

Dr. Tan believes in combining state of the art evidence-based medicine and personal attention for each patient to provide the highest quality of individualized care. With a strong and trusting relationship as the foundation, she believes that the best health care is delivered through active doctor-patient dialogue and collaboration.

At HonorHealth OBGYN you'll find:

- High-quality obstetrics and gynecological care for women of all ages
- Use of the latest technologies for treating abnormal periods, pap smears, menopause, infertility, endometriosis, ovarian cysts, pelvic pain and more
- Prenatal support and services for moms-to-be through each stage of development
