

**BASIC FINANCIAL ASSISTANCE UNINSURED ATTESTATION**

Effective April 1, 2023, HonorHealth Hospitals and HonorHealth Medical Group clinic, offers an eighty-four percent (84%) discount from billed charges for services provided to uninsured patients with household income less than four times the Federal Poverty Guidelines as outlined in the Financial Assistance policy. This policy may be viewed in the Financial and Privacy Policies section on HonorHealth.com. This discount may not be applicable to care received related to an injury where another individual or entity is responsible for payment.

**Payment Expectations:** The hospitals and clinic locations expect a deposit prior to scheduled services and the balance or payment arrangements to be paid according to HonorHealth policy. Approximately one week after discharge or visit, you will receive an itemized statement indicating the discounted balance due with contact information should you need to make payment arrangements.

In the event that another person or entity is responsible for the injuries giving rise to this treatment, the hospital retains its lien rights pursuant to A.R.S. § 33-931, *et seq* and will enforce its lien against any such recovery.

If the guarantor is unable to pay the hospital or clinic bill, or cannot make formal payment arrangements, notify hospital personnel or financial assistance representative immediately in order to initiate time sensitive applications for other state, federal, or hospital programs.

These programs are subject to change or cancellation at any time.
