

HONORHEALTH SCOTTSDALE SHEA & SCOTTSDALE OSBORN MEDICAL CENTERS

PGY1 PHARMACY RESIDENCY PROGRAM

Scottsdale Shea Medical Center

The Shea Medical Center is a 420+ bed facility known for its oncology, cardiology, and women and children’s services. Most recently the oncology service has expanded to support leukemia services, bone marrow transplant, CAR-T therapy, and TIL therapy. Other services provided include Critical Care, ECMO, Level III NICU services, and bariatric surgery. The Shea campus is also home to HonorHealth Medication Management, an ambulatory care pharmacist-managed clinic.

Scottsdale Osborn Medical Center

The Osborn Medical Center is a full-service acute-care hospital with 300+ medical/surgical beds. The hospital’s Level I trauma center is consistently one of the busiest in the state and is regarded as a leader in neurosurgery, orthopedics, and rehabilitation. The Osborn campus has a long-standing military partnership as well as a Family Medicine residency program.

The Departments of Pharmacy provide 24/7 services supported by approximately 90 combined pharmacy personnel. The hospitals leverage a computerized electronic health record, automated dispensing systems, IV room verification software, as well as clinical and decentralized pharmacy services.
